

GENERAL INFORMATION

The University of Illinois Alumni Association's sponsored alumni clubs have been awarding student scholarships for many years. Each fall a scholarship is awarded to a top high school senior who resides in or near the metropolitan area of the club providing the award, and if such a student has been admitted to the University of Illinois they are eligible to apply for a scholarship. The scholarship award funds are provided by the sponsoring alumni club to the University of Illinois, which credits the full-time student award recipient via credits applied against their fall and spring semester's Illinois tuition.
