Dear University of Illinois Admittee,

On behalf of the Illinois Alumni in the Greater Houston Area, we would like to congratulate you on your admission to the University of Illinois!

The University of Illinois Alumni Club of Houston intends to award a scholarship of \$2,000 this year based on academic and leadership potential. We have attached an application and encourage you apply.

Please note that eligibility for the award requires that:

- 1) You have been accepted for admission to the freshman class at the University of Illinois at Urbana-Champaign for the Fall of 2010;
- 2) Your permanent home address is in the Greater Houston area (as defined by the University of Illinois Admissions Department);
- 3) You are enrolled for full-time undergraduate study at the University of Illinois at the time the award is paid.

You can apply in one of two ways:

- 1) Electronically (our strong preference). Either complete the application attached to this e-mail (or visit http://www.houstonillinclub.com/scholarship_forms.htm to download the application form). Upon completing the application in its entirety forward back to me at scholarships@houstonillinclub.com along with electronic copies of your high school transcript and your SAT and/or ACT scores.
- 2) Hard copy. Please complete this same application and forward back to us at our address listed above. Please include hard copies of your high school transcript and your SAT and/or ACT scores.

All of these materials must be postmarked on or before Friday April 9, 2010.

We look forward to receiving your application, and good luck on your future academic career!

Sincerely,

Mark Ulrich (<mailto:scholarships@houstonillinclub.com>)

UIAC of Houston Scholarship Chairman (and on behalf of the Scholarship Committee)
